Werkblad tellen

Tel de stippen op het lieveheersbeestje.

Werkblad letterkennis

De l is van lente, maar ook van....
Zoek de woorden die beginnen met l.
Kleur ze of omcirkel ze.

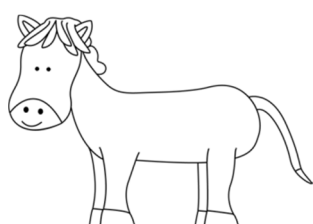

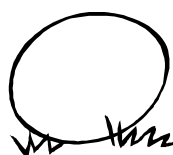

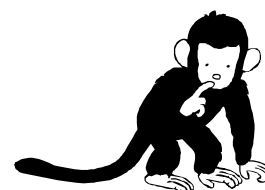

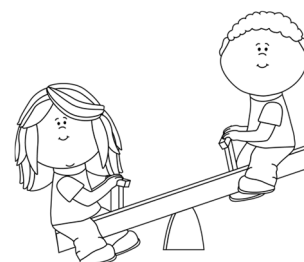

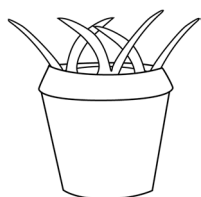

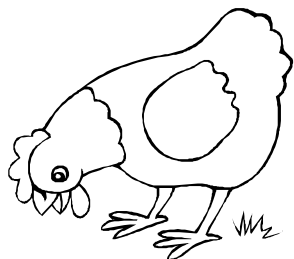

kikker - lieveheersbeestje - leeuw - lolly - kuiken / kip - lamp - varken / big - lammetje - riem

Werkblad rijmen

Kijk naar de plaatjes. Er rijmt telkens iets uit de eerste rij op iets uit de tweede rij. Trek een lijn.

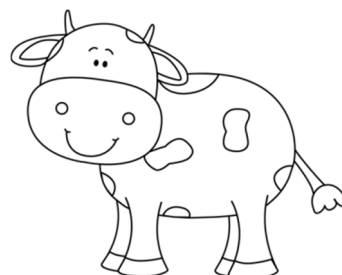

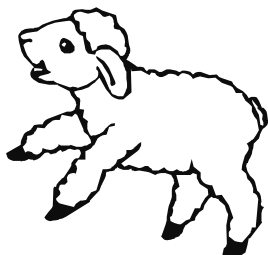

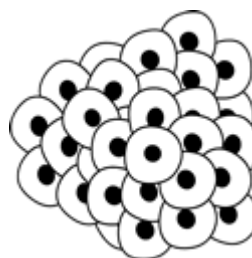

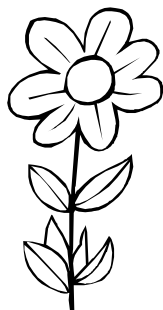

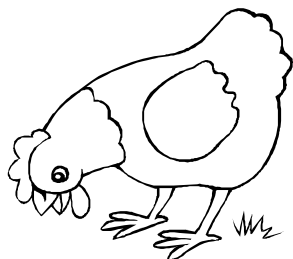

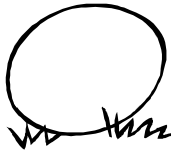

Werkblad auditieve analyse

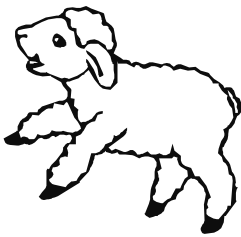

m

Hoeveel woordstukjes hoor je? Kleur evenveel rondjes als woordstukjes.

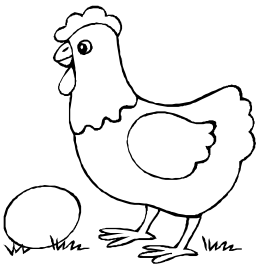

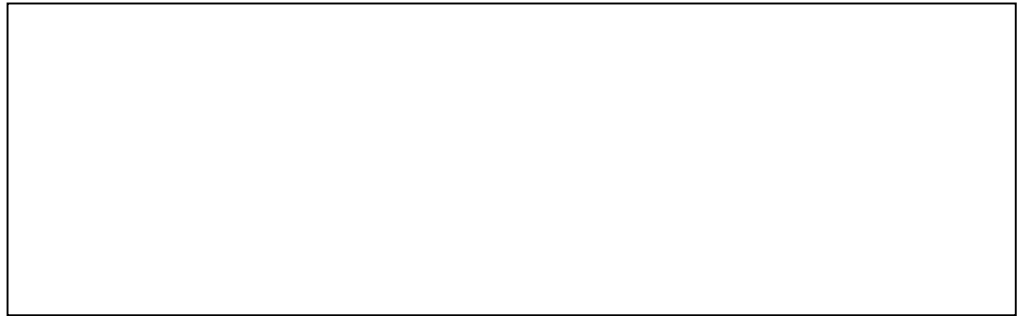

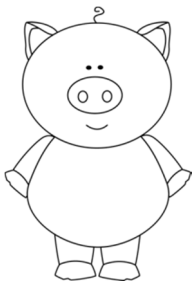

ei

lam

kip

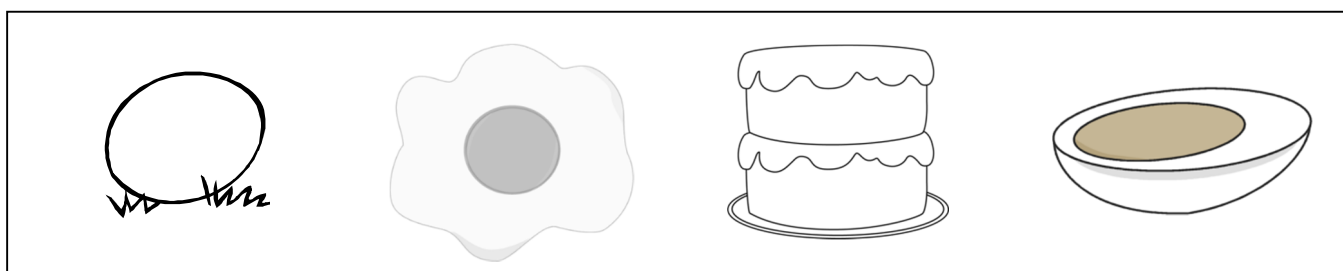

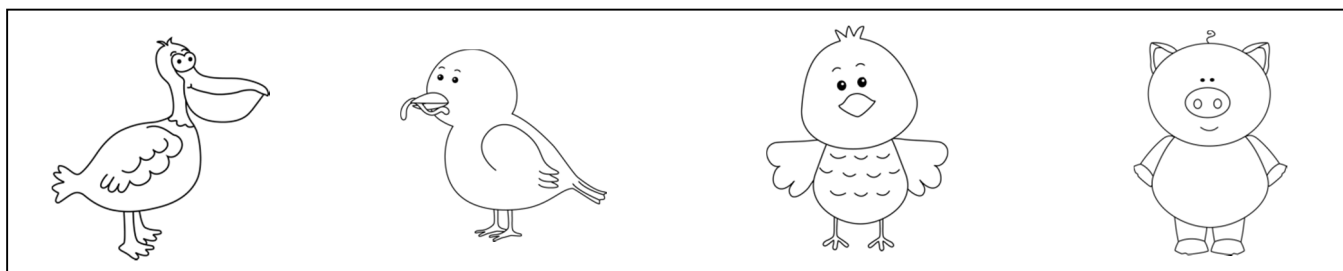

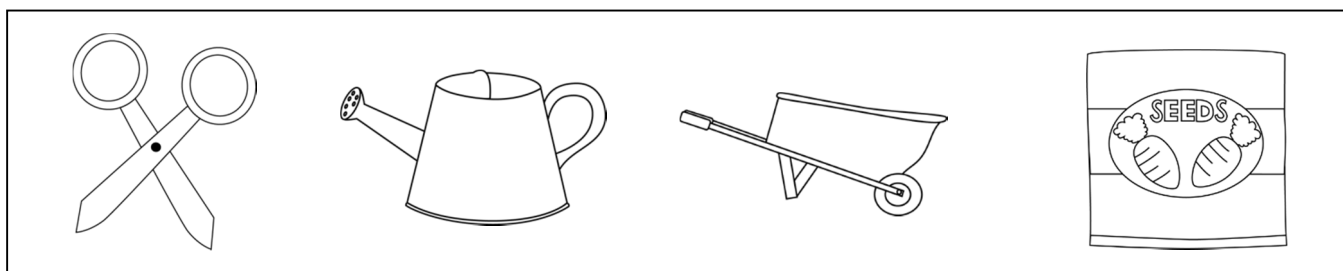

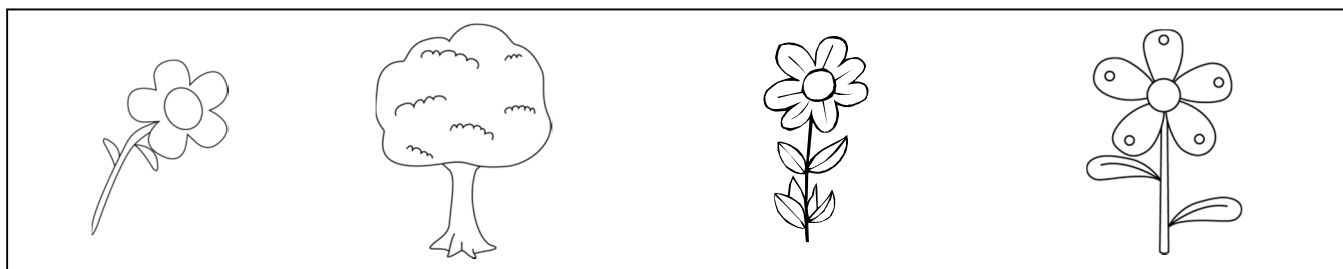

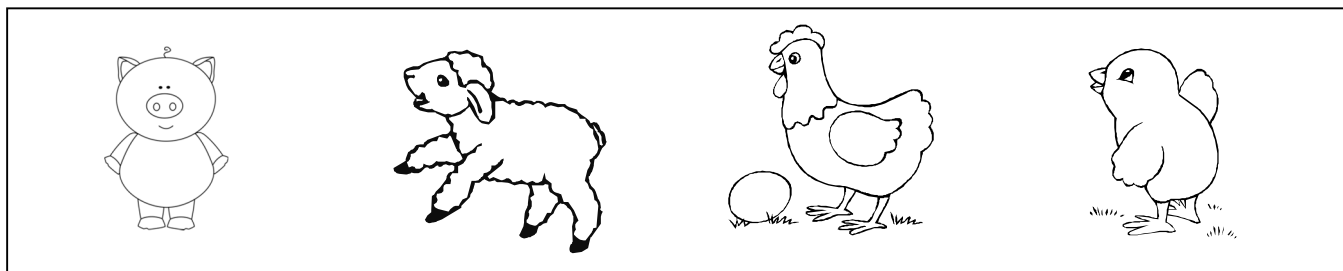

big

Werkblad classificeren

Wat hoort er niet bij? Zet er een cirkel om.

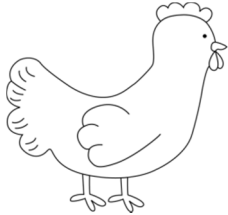

Werkblad letters

Kijk naar het woord. Zet een cirkel om de letters die dat woord maken.

Werkblad eieren seriëren

 De kip broedt haar eieren uit. Ze begint met het grootste ei en eindigt met het kleinste ei. Knip de plaatjes uit en plak ze op een strook papier. Plak de kip vooraan. Plak daarna de eieren op volgorde van groot naar klein op de strook. Eindig met het nest met kuikens.
